Ayon Crossfire PA

The Crossfire power amp continues the evolution of the latest Crossfire integrated by once again offering dramatic improvements to its completely revised third-generation power supply, tube regulator and newest gain & driver technology. Also the gain stages have been optimized as well to provide for the shortest signal path and the most direct signal flow. Zero dB feedback, pure class-A operation for the most natural fast and authentic 3D holographic sound. It's uncompromising design with rich and varied interplay of macro- and micro lines of dynamic performance. The ambiance of the original event is reproduced with uncanny precision as space illuminated by music. The Crossfire power amp is a masterpiece of simplicity which is pleasing to the eye and pleasant to the touch.
